PRESIDENT'S MESSAGE...

Hello to all. You may notice this is the first time I have addressed the membership through our newsletter. I want to ask you all for help in making our Club a better Club, both through your dining experience and your interaction with other members. Now I don't want to infer that I am a "bar fly" but I will say that the some of my most enjoyable evenings at the Wheel were spent right there in the lounge. I'll never forget my first encounter with Bartender Larry Brion. Remember how firmly he would plant your drink on the bar? Great guy. And how about those lively school teachers from Canton, always ready to strike up a conversation. And if you like current events, don't forget Gang from the Creek, Roan- Orly - Colburn, and if you need some excitement, toss in some Cary. All in fun gents. If you would like to share a line with me about the Club or one of your "encounters", you can find me at big@blaisealexander.com or for slower service you can try my cell, 570-279-0257. If you are a mid- day diner, we have a Sunday surprise coming, perhaps a week or two after Thanksgiving. You will need to call Ron at the Club for details. Isn't this just like me, let the cat out of the bag and then hand it off. And don't forget, bring a friend and suggest becoming a member of "The Wheel Inn Club". Be safe, Blaise.
